## SPRING 2007

### Landscape Ordinance: We need your HELP!

KBB has spent over two years developing a Landscape Ordinance that we felt would benefit our community. The proposed ordinance is now under discussion in a committee which will make recommendations to the Brownwood City Council. We need the citizens of our community to let the city councilmen know how valuable this ordinance is for the long term planning for Brownwood. Please, if you support the ordinance, let the city council hear from you! You can send letters to:

Councilman \_\_\_\_\_

Brownwood City Hall

PO Box ,

Brownwood, TX 76804.

If you have not yet had a chance to read the ordinance, click [More Details](#)

or pick up a copy at Brownwood City Hall or Brownwood Library

### FREE CITYWIDE CLEAN UP

Spring cleaning time has arrived and the city and KBB are happy to host a FREE Citywide Cleanup Saturday May 19th from 7am to 3 pm. Items you can bring: yard debris, household trash, tires (8 max), car and cooking oil, appliances, paint, batteries, anti-freeze, oil filters, metal, and once again **E-WASTE** (computers, monitors, cell phones and their batteries, fax machine, printers). The Mobile Recycling Trailer will be there also, so you can recycle newspaper, metal cans, aluminum cans, cardboard, glass jars and bottles, plastic milk jugs, and plastic water and soda bottles. **Remember** all recycling must be clean!

### May 19th

Be a part of the CITYWIDE CLEAN UP ON MAY 19TH

Tip of the Newsletter

### BAG IT

Much of the litter you see on the sides of the road is from households. Before putting your garbage in your trash bin, be sure to BAG IT and tie the bag closed. When the garbage truck then empties your trash bin, no bits and pieces will fall out.

Also, carry a trash bag in your vehicle.

### OUR WEBSITE

Visit our website to see what Keep Brownwood Beautiful is all about. There is lots of information about our projects and how you can become involved.

### Meetings can be fun!

Join us at our monthly KBB meetings. The meeting is the last Tuesday of the month. It is now being held at the Pecan Valley Coffee Company on Austin Avenue. Meetings start at 6pm. Everyone is welcome! We need your input.

***Here is your chance to be a part of something NEW!!!!***

The Adopt-A-Spot program is a litter reduction campaign designed to remove debris and litter from city streets.

### Why Adopt-A-Spot?

Clean streets encourage neighborhood pride and increase property values.

People litter **less** if there is no litter around.

One of the first things visitors notice when entering a community is the level of cleanliness.

It prevents trash and litter from entering our watershed.

**What areas can be adopted? Areas with the city limits of Brownwood, Roads, Right-of-ways, storefront sidewalks, cul-de-sac, areas around your church, business, or home.**

**What do volunteers get?**

A street sign that announces your sponsorship

Clean-up supplies

Free hauling and disposal of garbage collected

Safety information and equipment

Recognition of community involvement

**ADOPT-A-SPOT**
